

EVIE

work smarter

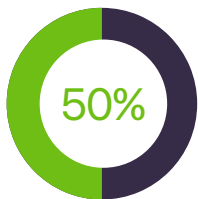

EVIE, our Virtual Intelligence app, helps you turn a simple contact in to an honest to goodness prospect. Through EVIE every contact you enter is shown the possibilities of our products and our plan for their optimal health and long-term success.

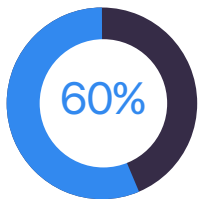

From the first connection through the entire text-based conversation, EVIE is your partner. She provides detailed product information, answers questions and helps you make the right connection with every prospect at the right time.

Why she's so special

1 LEVELS THE PLAYING FIELD

EVIE is a simple, frictionless platform that connects you with your prospects and helps you close them at an unprecedented success rate. She works the same way for everyone. EVIE doesn't play favorites.

2 OFFERS THE SAME OPPORTUNITY FOR SUCCESS TO EVERYONE

EVIE treats every contact the same way. From the first connection through the entire text-based conversation, EVIE is the coach, mentor, and facilitator of every interaction. All you have to do is put in a name and a phone number.

3 HELPS YOU BUILD WITH DEVICE-BASED SHARING

As you share our products or opportunity through EVIE, you are strengthening connections made and building networks that, when properly nurtured can help you build and manage your business.

4 NURTURES, EDUCATES & FOLLOWS UP WITH EVERY PROSPECT

You don't need to be the world's greatest salesperson to build a strong and lucrative business. You just need to know how to share.
